HAVENBROOK PORT DISTRICT | ANNUAL MOORAGE POLICY 2027
Cutwater Basin assignments are governed by the following controls.
Eligibility: renewals and waitlist applicants must have insurance, registration, current fees, and complete documentation.
Ineligible applicants receive outcome INELIGIBLE and reason ELIGIBILITY_FAIL. Eligible applicants may be assigned only once.
Priority: all eligible renewals precede waitlist offers. Waitlist order is ascending Waitlist Rank, then Tie Break, then Applicant ID.
A higher-ranked waitlist applicant may be skipped only when no compatible slip remains in a complete feasible allocation; use NO
Applicants not reached after capacity is exhausted use LOWER_PRIORITY_NOT_REACHED.
Fit: assigned boat length must be <= slip usable length; beam <= maximum beam. Requested service NONE, 30A, or 50A must b
Electrical demand counts once on the shared finger-circuit group: NONE=0A, 30A=30A, 50A=50A; group sum must not exceed ra
Liveaboards: no more than six per dock; liveaboard boats may use docks A, B, C, or E only. Honor any applicant dock restriction.
Accessible reserve: A-01 and C-01 must remain open with exact status ACCESSIBLE RESERVE and are excluded from assignab
D Dock is unavailable through 31 May 2027. Any D Dock assignment must have effective occupancy date on/after 1 June 2027 ar
Status codes: ASSIGNED, AVAILABLE, ACCESSIBLE RESERVE, D DOCK CLOSED THROUGH 2027-05-31.
