ORIGINAL EXAMPLE DESIGN / OFFLINE REFERENCE STUDY

2 Ti 3 Review - next

Step 2 of 3: Time

( ) 09:00 ( ) 14:00

Back Continue

Current Time screen: Continue is not final submission.

Review and final confirmation are shown on a separate screen.

Book an appointment / 1

Step sequence
The stages are Contact, Time, Review in that order.

Current stage
Time is the current stage in the main specimen.

Completed state
Contact is visibly complete; Review is incomplete.

Progress semantics
The text Step 2 of 3: Time is shown independently of the graphic.

Book an appointment / 2

Not navigation
The step indicator itself is not a clickable navigation control.

Back action
A separate Back control returns to Contact without losing its values.

Next action
Continue advances only after an appointment time is selected.

Time control
Two radio options read 09:00 and 14:00; neither is preselected.

Book an appointment / 3

Review action
The review state includes Change links for Contact and Time.

Narrow state
At 320 px the current step remains legible without horizontal scrolling.

Keyboard sequence
The focus order follows Back, time options, Continue.

Submission boundary
Only Confirm booking on Review is a final submission action.
